1	Op's Man - JD 730 GP & Standard OM-R20698; used original; has tape on binding & wear; f6 date code - ATTENTION: All these manuals & paper have wear; you're buying them as-is; we did not go through every one to make sure all pages are there or if there's any rips inside. We will do our best to point out major things in each lot. Also, there are many large lots included in the auction. Shipping these will be heavy, it is highly encouraged if you are buying in mass quantities that you pick up. If it is all paper, we can ship USPS Media Mail....otherwise buyers in the Midwest will be shipped using SpeedDee.	1
