603	JD 6x2 SSP 4-leg Deer FARM IMPLEMENTS Sign--WOW! Quite possibly the best example of this sign we have ever handled! A very small chip/bent lower right corner, otherwise the field is A1 and only a few light chips around the grommet holes; Maybe a light overspray paint that would come off with some elbow grease and same with some discoloration on the left edge; not sure if it's over spray or if the yellow first layer is just coming through the black layer very lightly; regardless, if you have wanted an exceptional example of one of these, this is about as good as it gets!	1
604	JD 4-piece 10'x7.5' 4-leg Deer Porcelain Silhouette Sign--WOW! Another stunning sign, about 10' long and 7.5' tall! Very light porcelain finish is very nice, only a small chip in the middle of the belly and some general edge wear, chips; has brackets on the back to mount it; This came from a Texas estate of a former JD Corporate employee; I'm betting this probably came off the Dallas or Houston plant or warehouse; we have been selling JD memorabilia & signs for over 20-years and have never seen or even heard of one of these; fantastic and possibly one of a kind sign!	1
605	JD Men's 10k Gold Ring--Bust of JD w/ 2 Diamonds & 1 emerald--nice! Beautiful piece, comes with original box, don't believe it was ever worn, don't know the size	1
